

Woodfield School **Attendance and Punctuality Policy**

Values:

'Central to raising standards in education and ensuring all pupils can fulfill their potential is an assumption so widely understood that it is insufficiently stated - pupils need to attend school regularly to benefit from their education. Missing out on lessons leaves children vulnerable to falling behind. Children with poor attendance tend to achieve less in both primary and secondary school.'

School Attendance: Statutory guidance and departmental advice, DFE Aug 2013

Woodfield Primary School expects the highest attendance and punctuality from **all** pupils, at **all** times. We support pupils and their families to ensure that excellent attendance is achieved.

- North Yorkshire Local Authority's target for attendance is 97%;
- At Woodfield we are continuously working towards our goal of 100% attendance for **all** pupils.

- To work with external agencies, in order to address barriers to attendance and overcome them.

- To promptly inform the School Inclusion (attendance) Manager of pupils who persist with poor attendance;

Parents:

Children should only be kept at home if they have a serious illness or injury. If this is the case, parents should contact the school first thing. If a child has a minor illness e.g. mild headache, stomachaches etc. parents should inform the school and bring them in. If they don't get any better, school will contact parents straight away, to collect them. Wherever possible, doctors' and Dentist appointments should be made out of school hours. If pupils have a dental, clinic or hospital appointment, parents should let the school know. Pupils should be brought back to school after appointments. **Pupils should miss as little time as possible.**

Therefore, parents are expected to:

- Ensure their child attends school and arrives on time every day;
- Promote a good attitude to learning by ensuring their children attend school in the correct uniform and with the basic equipment required for lessons;
- Not arrange medical and dental appointments in school time wherever possible;
- Telephone to inform the school to on the first day of absence for their child;
- Provide a verbal or written explanation of absence, including dates of absence as soon as their child returns to school if this has not been done earlier;
- Work in partnership with the school and other agencies in the best interests of their child; this includes informing the school about significant influences and changes in the child's life, which may impact upon learning.

The Local Authority is expected to:

- Support the school in improving attendance, through whole school initiatives and individual pupil interventions;
- Work with families and other agencies to remove barriers to good attendance;
- Ensure that parents are informed of their responsibilities in relation to attendance;
- Uphold and enforce the law in respect of attendance, child employment, and involvement in entertainment, child protection and safeguarding.

Strategies for promoting/rewarding excellent attendance:

Aims:

- To ensure good attendance and punctuality (above 97%) is regularly promoted and supported and remains high profile across school;
- To achieve high levels of attendance and punctuality (above 97%) through rewarding good attendance and punctuality.

Weekly Success Assemblies

Celebration Assemblies are held every week. Classes with the highest attendance/punctuality receive Attendance Cup. A class who achieves 100% attendance for the week are allowed to nominate a day the following week to come in their own clothes. Awards are given to children who achieve 100% attendance each term. The first term they are awarded a Bronze Award. For the second, they are awarded a Silver award and the third full term with 100% attendance, a Gold award.

Staff Promoting Good Attendance

It is important that teachers are regularly promoting good attendance with their classes. Good class attendance is attributed to good teaching and this is celebrated.

Attendance Certificate

Children with 97%+ attendance at the end of the academic year, receive a special attendance certificate, signed by the Head Teacher.

School Newsletter

The school newsletter is used to highlight the importance of good attendance and punctuality. It regularly includes sections reminding parents of our school attendance target and what that means in terms of number of days absent. It also includes information about any initiatives which the school is using to promote attendance and punctuality.

School Attendance Board

We celebrate weekly highest attendance on the Attendance Board in the main hall.

Breakfast Club

Daily Breakfast Club places are open to all children and are £1 per session, or free to identified, targeted children whose attendance or lateness is a cause for concern. This supports parents by allowing them to drop their children off from 8.00 am, ensuring they are on time for school. The club is supervised by two members of staff.

Sharing attendance data

Pupils are informed on a weekly basis of attendance/punctuality achievements. The class achieving the highest attendance/punctuality, and the number of pupils achieving 97% -100% attendance are shared in termly assemblies.

This develops healthy competition between year groups to improve attendance. It also engages the class teacher in conversation with their classes about attendance.

Parent/teacher consultation evenings

This provides an opportunity for teachers to praise and recognise excellent attendance or share attendance concerns and discuss barriers to good attendance. Where necessary a target for improving attendance is set. The class teacher then monitors this. If there is no improvement in attendance/punctuality, the pupil is referred to the HT.

Lateness

Five minutes late each day amounts to 25 minutes a week or a staggering 950 minutes an academic year which is nearly 16 hours or approximately 3 school days!

To promote prompt attendance, we regularly hold Secret Late weeks. During these weeks, all children who arrive at school on time are entered into a draw for a prize. *'To win it, you've got to be in it!'*

Monitoring and Recording Attendance & Punctuality

Class Registers

Class registers are recorded using SIMs. The system ensures that no children are missed and that pupil information can be shared quickly and securely. Registers are the only way of recording pupil attendance and must be completed accurately. This is the responsibility of whichever member of staff has been directed to take the register for that session.

Registers can be re-submitted in the case of a mistake or a pupil arriving after submission, but registers must be accurate and submitted at key times (see below).

Morning Register

Class registers remain open until 9:00am. At that point, the teacher may submit their final register.

From 9.00 am the school doors are closed. The children's names and classes are recorded in the 'Children Arriving Late' folder. This is to ensure that no children are missed on the register due to arriving in school late.

The School Administrator officer then checks that the children who have arrived late have been marked '/' (present) in the registers and corrects any mistakes or inputs codes for children who are known to be absent. The school inclusion (attendance) officer then begins first day absence calls.

Afternoon Register

Registers must be submitted by teaching staff straight after lunch before afternoon lessons commence. They should be by 1:10pm

School Attendance Letters

The school sends out letters, to communicate with parents about attendance and punctuality. These follow the templates provided by North Yorkshire County Council.

Punctuality Folder

The School Inclusion Manager (attendance) and the HT monitor the punctuality folder regularly. This may involve speaking to parents directly, or via a phone call. Letters regarding the school's concern over lateness may also be sent; explain how much learning pupils are missing. If it does not improve, parents are invited in to school, to discuss the concerns and plan a way forward. If lateness does not improve following the meeting, then further action will be taken in line with the Local Authority procedures.

IMPORTANT:

Child Protection and safeguarding concerns must be acted on immediately, in line with the school Child Protection and Safeguarding Policy.

Monitoring First Day Absence

If a child is absent from school and the school has not received a phone call or other message from the parent/carer, a first day absence call will be made. The School Inclusion Manager (attendance) follows this system:

- Phone parents' contact number(s);
- Repeat this during the first morning of absence if no response;
- Phone emergency contact number(s) to get an up-to-date contact number for the parent/carer and update the school system accordingly;
- Staff to speak to the parents at home time, if they are at school to pick up other children;
- Speak to the parents face-to-face or by phone the next day and establish reasons for absence and update contact numbers.

The parent/carer is asked to provide a reason as to why the child is not in school. The absence reason is recorded next to the child's name on the first day absence sheet and this is filed in the absence folder.

The School Inclusion Manager (attendance) must establish a reason for every absence. No absence should be left on the system as an 'N' (no reason given) code.

Attendance Meetings

The HT / School Inclusion Manager (attendance) monitor individuals, classes, year groups, different ethnic groups, SEN and FSM pupils. They identify patterns and trends in absence/punctuality, including persistent absence. The systems and structures are then followed, to improve attendance for these individuals or groups. Letters are sent out to parents whose children's attendance is below 90% and parents who are concerned about their child's attendance, are invited to work in partnership with the school.

Extended Holidays

In line with North Yorkshire Authority, 'Leave in term Time Guidance' and the 2013 Amendment to the Education (Pupil Registration) (England) Regulations, **leave for pupils during term time is only authorised under very exceptional circumstances.** The school recognises that taking children out of school may constitute a safeguarding risk and will make necessary enquiries, in order to be satisfied that the child is not at risk. The school may contact outside agencies in order to ensure that a visit is legitimate and safe for the child/children.

Head teachers may now only grant leave in term time where the circumstances are exceptional, for example:

- death of parent/carer or sibling of the pupil;
- life threatening or critical illness of parent or sibling of the pupil;
- parent/carer recuperation and convalescence from critical illness or surgery (leave request to be made within 6 months of recovery and medical evidence required).

Family emergencies need careful consideration. It is not always in the best interest of the child, nor appropriate for them to miss school for family emergencies that are being dealt with by adult family members. Being at school, friendships and support from staff can provide children with stability and care during difficult times. The routine of school can provide a safe and familiar background during times of uncertainty.

If you have exceptional circumstances, which have led you to request leave in term time for your children, please complete the required form, which you can obtain from the school office. The Head Teacher will then make a decision, on whether or not the leave can be lawfully authorised and will do so only if there is a genuine, exceptional and urgent reason for a child to be absent during term time.

Penalty Notices

If a child is taken out of school without the Head Teacher's authorisation, it will be recorded as unauthorised absence. This may lead to the issuing of a penalty notice and legal action being taken.

Section 23(1) Anti-Social Behaviour Act 2007:

Penalty notices may be issued to the parent of pupils who have unauthorised absence from school. The amount of the penalty is £60.

- If this is not paid within 21 days the amount rises to £120;
- If not paid within 28 days the Local Authority will prosecute under section 444(1) unless it comes to our attention that the penalty notice had been issued in error.

Section 444(1) Education Act 1996:

"If you are the parent of a child of compulsory school age who fails to attend school regularly, you are guilty of an offence."

The court can fine each parent up to £1,000 per child, order payment of the prosecution costs and/or make a Parenting Order.

Please note that:

- penalties and prosecutions are in respect of each parent for each child.

These prosecutions are criminal proceedings and could result in you having a criminal record.
