Dear Parents and Carers of pupils in **Y4 and Y5**,

We have been offered some instrumental keyboard lessons by North Yorkshire Music Service.

These would be lessons for a group of up to eight pupils for half an hour lesson with a shared cost of each lesson being £22.50 per lesson. This would take the individual cost per lesson to approx. £2.82 per lesson. As I'm sure you would agree, this represents exceptional value. The Music service would bring the keyboards for each lesson for the children to use in school.

We would need parents to commit to and pay for a full half term of lessons to ensure that we could run the sessions at the agreed cost. Should a child withdraw during the half term, we wouldn't be able to refund the missed sessions. Also, should a child withdraw at the end of a term, the cost per pupil could increase if we were unable to find another pupil to fill the place. I believe this would still represent exceptional value for musical tuition.

Initially, we need to gauge interest to see if it is viable to run the lessons so, if you would be interested in a place for your child, please complete and return the slip below. If there are more children interested than places available, we will offer them on a first come first served basis.

Yours sincerely,

Neil Hedworth
Headteacher
